LIBRARY MANAGER'S REPORT:

Read Across America Family Night Program

The Read Across America Family Night event honors Dr. Seuss' birthday and promotes the importance of literacy on children. This family night event is held annually and sponsored by the Associate Calexico Teachers (ACT). Special guests included Ms. Virgen, Calexico High School teacher, who dressed up as "The Cat in the Hat" and Library Board Trustee Mrs. Guadalupe Espino. We had about 60 children attending and over 100 craft packets were picked up. More kids continued to enroll throughout the registration period, but some were unable to join us.

Minutes

Jefferson Elementary School

Mrs. Legaspi received an invitation from Jefferson Elementary School to conduct a virtual story time in celebration of Read Across America. Over 100 students joined this event. Children that could not join due to having reached the maximum space capacity in Zoom were invited to attend Mindful Storytime later that day. Jefferson Elementary also invited Mrs. Legaspi to participate in their career day virtual event. Hopefully, many kids were inspired to follow the library career path.

Dogwood Elementary School

Dogwood Elementary School also gave us an opportunity to visit two of their classrooms virtually. Mrs. Legaspi was able to promote some of the library activities for school-aged children. This was also a wonderful opportunity to talk about the services the library provides to the community of the Imperial Valley.

Imperial Regional Detention Facility (IRDF)

Mrs. Legaspi is excited to have created a new partnership with the Imperial Regional Detention Facility (IRDF). Their first quarterly goal is literacy; therefore, they were encouraged to reach out to us. Mrs. Hortencia Armendariz helped us make this connection with the IRDF. Mrs. Legaspi asked if they could donate books for the Vintage Club since we had run out of books to include in the monthly packets. The IRDF was able to organize a book drive for the library and donated a combination of over 208 English and Spanish books. Thanks to their donation, we will continue to provide a book in the Vintage Club packets to seniors.

Library Board of Trustees Website Link

There is a Library Board of Trustees link in the library's website. Trustees were asked to take a picture and send it to Mrs. Legaspi to post it on the library's website or to stop by the library so that staff can take their picture.

CONSENT ITEMS

On motion by Vice-Chair Alarcon and seconded by Trustee Moreno, the minutes from meeting held on March 1, 2021 were approved as delivered.

BUSINESS ITEMS:

Celebration of National Library Week from April 5-8, 2021

This is a week to be thankful for the many contributions of Libraries and its staff to the community. The theme of this year's National Library Week is: "Welcome to your Library." A proclamation was sent to be added to the City Council agenda for their first meeting in April. There are a lot of scheduled activities for children and adults to enjoy this week. The library requested the community to contribute to the celebration by sending a picture with their favorite book, by telling us why they love their library, its services, or staff and by participating in a writing/drawing prompt titled "if I were an author". Submissions will be put together in a slide show and will be shared via Facebook. Our staff member, Yvette, also created a portrait for when library users come and pick up book bundles,

Minutes

craft packets, or any other materials, they can voluntarily take a picture. This helps us continue to promote our services even though our doors remain closed.

The coordinator of the Biblioteca Publica Central Estatal of Mexicali, reached out to Mrs. Legaspi in an effort to finding ways to collaborate among both libraries. They have not been very successful in their virtual activities and they wanted to know how we were working virtually. Mrs. Legaspi invited them to baby time, and they really enjoyed the programming. They are looking forward to partnering with us during this year's Summer Family Reading Program. We were also offered a virtual tour of their library scheduled for Friday, April 9, 2021 at 2:00 p.m. via Zoom. It is in a webinar format and open for the public of all ages. Mrs. Legaspi asked the Board to help us promote this event.

Día del Niño Family Night on April 30, 2021

Mrs. Legaspi invited the Imperial Regional Detention Facility (IRDF) to participate in the Día del Niño Family Night event and they informed us they could sponsor the program. Their sponsorship includes a nice bag that will be used to hand out craft materials along with an activity bookmark which children will be able to color. Mrs. Legaspi applied for a Dia Grant for \$500 and the grant was awarded. With this grant, the library will be able to provide crayons and glue sticks to the participants, and bilingual books will be added to the children's collection.

Chair Duron asked if bilingual books purchased are in both English and Spanish or separated. Mrs. Legaspi replied that the books include both languages. Starting on April 26, 2021, kids will be able to pick up a packet that includes a snack, book, crayons, glue stick, bookmark and a craft activity.

Vice-Chair Alarcon asked if this event is held virtually, and Mrs. Legaspi confirmed it.

California Library Literacy Services Application for FY 2021-22

The Camarena Memorial Library has been applying for adult library literacy services funding for over 20 years. This funding helps provide materials for adult tutors and learners. We are also able to add additional books and materials to the literacy collection. This grant also provides funding for family literacy. Mrs. Legaspi went ahead and applied for this additional funding to be able to provide more services to the families that are receiving adult literacy services already and to those that are not part of the program yet but that might benefit in the future. If money is granted, Mrs. Legaspi plans on providing additional virtual programs such as storytimes, presentations and workshops to name a few. Mrs. Legaspi will inform the Board if this additional funding is approved. Vice-Chair Alarcon asked what the amount of this grant was, and Mrs. Legaspi said it is at least \$10,000. Mrs. Legaspi is very excited about providing additional services to the community.

Camarena Corner – Calexico Chronicle Newspaper

Richard Montenegro-Brown from the Calexico Chronicle reached out to Mrs. Legaspi and asked if she was interested in writing a weekly column about library programs and services to add to its newly updated website. Mrs. Legaspi agreed since she saw it as a free opportunity to promote the library services. So far, there has been 3 of our library programs published: story time, preparation announcement for National Library Week, and informing the public to send us pictures/notes/videos to celebrate National Library Week. Announcing a library program on a weekly basis has been a great

Minutes

opportunity to continue to highlight our virtual services. Mrs. Legaspi added that other newspapers such as the Imperial Valley Press and the El Sol del Valle have helped promote library programs and services. Imperial Valley Press includes our daily programs in their community calendar and also include the program pictures sent.

Friends of the Library Report:

Ms. Jeannette Chew announced that Ms. Sandra Tauler has been very generous in starting a fundraiser for the Friends of Camarena Memorial Library. Ms. Tauler invited around 100 people and asked for a \$21 donation from each. These donations have been brought and/or mail to the library.

LIBRARY BOARD OF TRUSTEES COMMENTS:

Vice-Chair Alarcon commented that Mrs. Legaspi is doing a great job and she already completed the Form 700 that was requested by City Clerk.

Chair Duron also agrees with Mrs. Legaspi's great contributions to the library.

Trustee Espino asked if the Form 700 is due April 8, 2021. Mrs. Legaspi confirmed the due date.

Trustee Moreno asked about the amnesty program during National Library Week since she must return some late books and was wondering if her fines will get waived. Mrs. Legaspi replied that her fines will be waived when she returns her late books during National Library Week.

Vice-Chair Alarcon asked if she could check fines online. Mrs. Legaspi informed Vice-Chair Alarcon that the library website has a log-in portal to check for fines and books checked out.

INFORMATION:

Attendance report- Mrs. Legaspi reminded the Board that if they missed three times during a calendar year, the person automatically gets removed from their library board position.

CML monthly report- A monthly statistical report of February 2021 and March 2021 are included on this meeting's agenda. These reports indicate how many books were checked out from the library collection and the total number of Zip Book requests among other things. Mrs. Legaspi added that the Zip books program will end by May 31, 2021 and there is no guarantee there will be more funding due to the state crisis. However, we are hopeful that monies are reinstated into the budget so that we can continue providing this needed service. There is still a balance of about \$2,000 to spend on Zip Books.

Calendar of activities – Posted on the library's website and shared on Facebook.

Upcoming events/programs-

- Día del Niño Family Night Event scheduled for Friday, April 30, 2021 at 4:00 p.m. via Zoom for ages 0-12 years.

THE LITERACY CIRCLE

A monthly newsletter that highlights adult literacy services

@Camarena Memorial Library

From the Camarena Memorial Literacy Staff:

Happy Spring everyone! In this issue, we are delighted to announce many of our library's adult services, programs, and accomplishments made throughout our virtual learning journey. We are very thankful and proud of our tutors, learners, and ESL members that continue to give it their all during these difficult times. May they continue to inspire many people and bring literacy awareness to our community.

ENGLISH AS A SECOND LANGUAGE

Why does literacy matter in an adult? How may I get help?

Technological growth has been accelerating throughout the years and the access to many websites and apps dedicated to specific purposes continues to increase as well. If we analyze how the increment of technology impacts the literacy world, you would be shocked. English learners now more than ever have access to millions of these tools that makes it easier and comfortable to acquire the English skills. However, there is no better substitution for actual held English classes. Being enrolled in an ESL/ASL program gives you the immediate instructor feedback, support, and teaching to gain your desired English skills. According to the U.S. Department of Education Office of Career, Technical, and Adult Education, "English language learners nationally make up 40% of the adult education population served." The Camarena Memorial Library is proudly home of an ESL program consisting of approximately 80 students annually. Learners that advance to our one-to-one tutoring services accomplish various goals such as obtaining a certification, GED, citizenship, and lifelong progresses.

Tutor Spotlight

KIMBERLY VALENZUELA

Q: How has your experience been so far as a tutor?

A: My experience so far has been really good. I enjoy helping people learn new skills that they can use to achieve their personal goals. It is also a very rewarding experience being part of a learner's progress through the ALS program. It is such a good feeling hearing back from my learners on how they implement the skills they learned in their daily lives.

Q: Give three reasons why being a tutor might influence an adult member in your community struggling with literacy skills.

A: Whether it is reading the morning newspaper, applying for a job, or communicating with doctors, a tutor can help a learner achieve these goals. Another reason is by prioritizing their needs in a one-to-one setting. Sometimes it is difficult to keep up in a class with 20 other students with different goals, while working with a tutor focuses on the learner's individual goals, level, and pace. Lastly, being a tutor may influence adults that struggle with literacy skills to pursue their dreams. Many people believe that their lack of literacy skills takes opportunities from them. Once that language barrier is overcome, they will have the confidence to pursue careers that interest them with many more opportunities open for them.

Edith & Kimberly

"During my sessions, I like incorporating different materials within the same lesson. Depending on the topic of the lesson, I use books or audios that relate to the topic, workbooks from the ALS bookshelf, PowerPoint presentations, articles, songs, videos, and activities. Not only does this help the learner grasp the context of the lesson, but it also allows different learning strategies since not everyone learns the same way."
