### Dear prospective volunteer:

We are grateful for your interest in volunteering. You and the many other volunteers at work on our various Agency programs and projects have the power to improve the quality of life in our community.

Attached is an application for the Agency volunteer program and a general interest form. We ask you to complete these so that we can make every effort to offer assignments that meet your interest and needs. Additionally, you will have an opportunity to meet with the supervisor before you commit your time and energy.

We also want to make you aware that we have established program policies and procedures that protect volunteers, citizens and the Agency. Depending upon the type of assignment you undertake, the procedures may include fingerprinting and background checks, DMV record review and liability waivers, among others. We will make you aware of any such requirements at the time of your initial interview.

Again, thank you for your willingness to work toward improving our community. We look forward to welcoming you to the volunteer program.

Sincerely,

City of Calexico Human Resources Coordinator of Volunteer Services
